Why Titan Rex Riffle Is The Top Dog In Medina County!

Hi im Lena and today i am talking about my dog Titan The best dog in medina county!

It all started in 2020 when my mom and dad decided to surprise us at a dog shelter.. At first my mom didn't want anything to do with a dog but one day at dinner she blurted out that her and my dad looked at a dog... My brothers and I start crying in happy tears!

So my mom and dad took us somewhere we didn't know where but my dad tried to sneak. There was a bid dog shelter sign and my dad thought we were attracted to the movie but I wasn't. I saw it and yelled DOG SHELTER. The boys saw it and we freaked! We went in and looked at a dog named Titan. Me and my brothers wanted to get it but my mom sat and thought should i get this dog?

My mom made up her mind and said we could get him so we got him and guess how much he was? Only 75\$ but with all the stuff we bought him at the pet store was more than 400\$ ya thats a lot. When we got home we called family members right away

They came over to meet him

And now it's 2021 and he is 1 year old. That was the best day of my life!

And now he is spoiled!!!

Reason number 1

Titan is cute!

Titan is so cute because, every time he plays with his toy his nose gets scrunched up so i call him piggy! He is so adorable he loves playing outside, and my family spoils him with treats!!! He always loves playing with our three neighbor dogs named Bruce, Finn, And Harlo. If I didn't mention, Harlo is practically titans girlfriend! It's so obnoxiously cute! They play all the time.

Reason number 2

Titan is respectful / responsible

Titan is responsible for being kind and understanding! When I'm sad or lonely and have no one to talk to, I know I can stop what I'm doing and go to him. Sometimes i feel like none of my family understand me so i know i will feel better if i Go to him and he will understand!

Reason 3

Titan is funny

Titan is funny because every time before he goes to sleep He snores so loud it's like this "hooooooooooooooooooooooooooooo sh oo wwwww"

He is so loud it's also super funny! And cute at the same time I call it fute!

Reason 4

All about titan!

Titans favorite color is Red he loves playing outside with his bone!
My grandma and grandpa are his favorite people. If you say their name He will tilt his head and look for them!

Titan is great with people and is super kind He loves to play and have treats but his ultimate favorite is getting new toys and treats that is why we take him to the pet store to get that! And food!
