

My dog Elsa is a Cane Corso. Elsa is 7 years old and she lives with Gracie, James, Jon, my mom and dad, snapping turtle snake and I.

My family and I rescued a dog and her adoption name was Vanessa. We got Vanessa from Pawsability. We did not like her name so we were thinking of a name and I suggested Elsa because I was 4 years old and I loved Frozen and Elsa is considered Blue (her coat). She was very scared, nervous and shy when we took her home. It took 6-months to a year for her to warm up to people.

**DON'T SHOP ADOPT!!!** Rescue dogs go through neglect. My dog Elsa was a rescue and suffered from being neglected, then we rescued her and she started a new life with us. Elsa enjoys having her Barkbox delivered, playing with toys and tons of naps on the couch and tons of treats from my Dad and Grandpa that my mom says no to.

Elsa is a very protective dog and she loves to protect us. She still acts like a puppy and she also acts like a human because she is needy, picky about her food and she needs love every second she always wants to sleep like humans on beds. Elsa is a big gentle giant.

Elsa is the best dog in Medina County because not only did we save her and give her a life she deserves, she also saved us by giving us the unconditional love that dogs always give.
